

**NATIONAL TUBERCULOSIS INSTITUTE
BANGALORE**

11 February 2010

Sub: Disposal of 12 Monocular Microscopes

It is proposed to dispose **12 functional monocular microscopes** available at NTI to any Central / State Government Research Institutes / Educational Institutes as the same are replaced with Binocular microscopes at NTI. The same is being done under 'as is where is' condition. No financial remuneration need be made for Governmental organizations.

Interested Government Research / Educational Institutes may forward their request to the Director, NTI vide email nti@ntiindia.org.in.
