

SELECT BIBLIOGRAPHY OF INDIAN MEDICAL LITERATURE ON TUBERCULOSIS - 20

TB GENERAL

1429. Association of tuberculosis with malignancy at Kimio - an oncology centre
Ravi Kumar R et al: **Ind J Pathology & Microbiology**, 1999,42/3,339-43.
1430. Why doctors need to prescribe information
Malpani A : **Bombay Hospital Journal**, 1999, 41/3, 554-56.
1431. Prescribing and dispensing activities at the health facilities of a non- governmental organization
Hazra A V, Tripathi S K, & Alam M S : **Natl Med J India**, 2000,13/4,177-82.
1432. Tuberculosis: Triumph & tragedy
Singh MM: **Indian J TB**, 2000,47/3,129-32.
1433. Persistence of tuberculosis explained
Berger A: **B M J (South Asia Edition)**, 2000, 16/10,739.
1434. Tuberculosis in India - a personalised overview
Menon M PS: **Pulmon**, 2000,2/1, 32-8.
1435. Classification of drug-resistant tuberculosis
Pamela Sonnenberg: **Lancet**, 2000, 356/ 9245, 1930-31.
1441. Colonic tuberculosis: colonoscopic appearance and clinico pathologic analysis
Das H.S. et al: **JAPI**, 2000,48,708-13.
1442. Tuberculosis of the breast.
Mishra B.M. et al: **Antiseptic**, 2000, 97/5,162-63.
1443. Renal amyloidosis following tuberculosis
Tank S J et al: **Indian J Pediatrics**, 2000, 67/9, 679-81.
1444. Colonic tuberculosis: Colonoscopic appearance and clinico-pathologic analysis
Das H S et al: **JAPI**, 2000,48/7, 708-10.
1445. Pancreatic tuberculosis
Rao P V: **JAPI**, 2000,48/7, 759.
1446. Tuberculoma of left lateral rectus in orbit
Brahmabhatt T: **Bombay Hospital Journal**, 1999, 41/3,566.
1447. Tuberculosis of the oesophagus - A report of four cases
Amarapurkar D N et al: **Bombay Hospital Journal**, 1999,41/3,571 - 73.

TB EXTRA PULMONARY

1436. Allergic Bronchopulmonary aspergillosis with aspergilloma mimicking pulmonary tuberculosis
Raj Kumar: **Indian J TB**, 2000,47/2,103-06.
1437. Isolated tuberculous mesenteric abscess-A case report.
Vijaya D et al: **Indian J TB**, 2000, 47/2,101-2.
1438. Primary tuberculosis of Penis - A Rare Case
Wg Cdr YM Sirpal & N K Ray: **Med J Armed Force India**, 2000, 56/2, 149-50.
1439. Tuberculosis peritonitis in a Hernial Sac
Sqn Ldr SGS Datta et al: **Med J Armed Forces India**, 2000, 56/2,162- 64.
1440. Tuberculous abdominal lymphadenopathy causing reversible renovascular hypertension
Puri S et al: **JAPI**, 2000,48, 530-32.
1448. Biliary tuberculosis
Amarapurkar D N & AD Amarapurkar A D: **Bombay Hospital Journal**, 1999,41/3,574 - 77.
1449. Tubercular lymphadenitis with post streptococcal glomerulonephritis-A diagnostic and therapeutic dilemma
Galwankar S, Khandelwal M & Sirsat R A: **Bombay Hospital Journal**, 1999,41/3,578 -79.
1450. Tuberculous peritonitis-an uncommon presentation
Mathew I, Hassan K M: **JAPI**, 2000, 48/11, 1135.
1451. Tuberculous mediastinal adenopathy presenting as dysphagia
Rita Sood. Renu Gupta: **JAPI**, 2000, 48/11,1135.
1452. Primary tuberculosis of penis - a rare case
Wg Cdr YM spiral & NK Ray: **Med J Armed Forces India**, 2000,56/2,149 - 50.
1453. Tuberculous peritonitis in a hernial sac
Sqn Ldr SGS Datta et al; **Med J Armed Force India**, 2000, 56/2,163 - 64.

1454. Disseminated tuberculosis causing bilateral adrenal enlargement and addison's disease
Sarita Bajaj: **JAPI**, 2000, 48/9,919-20.
1455. Disorders of menstruation in genital tuberculosis
Gupta U, Agarwal P & Samal S: **Antiseptic**, 2000, 97/7, 243 -44.
1456. Tuberculosis of the breast
Mishr B.M, Sathia J.N, & Debata P.K: **Antiseptic**, 2000,97/5,162 - 3.
1457. Thymoma with concomitant tuberculous Lymphadenitis - A rare presentation
Niranjan et al: **Indian Medical Gazette**, 2000, 134/5,166-8.
1458. Primary symptom of pelvic prolapse in elderly woman with genital tuberculosis - a case report.
Gupta U, Sukhadeve R & Samal S: **Indian Medical Gazette**, 1999,134/7,257-8.
1459. Hepatic involvement in tuberculosis
Chogle AR: **JAPI**, 2000,48/2,181-2.
1460. Tuberculous liver abscess
Roy R, Goyal RK & Gupta N: **JAPI**, 2000, 48/2, 241-3.
1461. Tuberculous liver abscess
Nand N: **JAPI**, 2000,48/2, 244-6.
1462. Hepatic artery mycotic aneurysm of tubercular aetiology
Beerasha et al: **JAPI**, 2000,48/2, 247-8.
1463. Tuberculosis of the spleen
Joshi VR: **JAPI**, 2000,48/2, 268.
1464. Lower lung field tuberculosis and mixed infections: a diagnostic dilemma
Rajasekaran S et al: **Pulmon** 1999,1/2, 66-9.
1465. Tuberculoma of the pituitary gland with galactorrhoea and TML
Menon M P S et al: **Pulmon**, 1999,1 /2,82-6.
1466. Sclerosing mediastinitis with oesophageal involvement in miliary tuberculosis - A case report.
Sahasrabudhe N et al: **Indian J TB**, 2000, 47/3, 167-8.
1467. Concomitant endobronchial tuberculosis, myocarditis and congestive heart failure
Nagina Agarwal and SK Sharma: **Indian J TB**, 2000,47/3,169-70.
1468. Lower lung field tuberculosis
Ravindran C: **Pulmon**, 2000, 2/1,51.
1469. Tuberculous osteomyelitis of skull - A case report
Janmeja A: **Lung India**, 2000,17/2,66-7.
1470. Case reports - Appendicular tuberculosis
Bakshi G et al : **Bombay Hospital Journal**, 2000, 42/4,617-18.
1471. Isolated appendicular tuberculosis - a case report
Paras Nuwal et al : **Indian J TB**, 2000,47/4, 241 - 42.
1472. Tuberculosis of middle ear-report on two cases
Gopal R et al : **Indian J TB**, 2000,47/4, 243-44.
1473. Extra-pulmonary lesions among HIV positive tuberculous individuals and response to chemotherapy
Dash BK & Panigraha SR: **Indian J TB**, 2000, 47/4, 245.
1474. Forum - Genital tuberculosis
Udayasankar C : **Indian J TB**, 2000,47/4, 248.

TB, CHILDREN

1475. Preventing tuberculosis in childhood
Donald PR: **Ind J Ped**, 2000, 67/5,383 - 85.
1476. Renal amyloidosis following tuberculosis
Tank S J et al: **Ind J of Pediatrics**, 2000, 67/9, 679-81.

TB&HIV

1477. Changing trends in the management of HIV and Tuberculosis
Mohanty KC & Bender S S: **Lung India**, 2000, 18/1, 21-6.
1478. HIV and tuberculosis co-infection in a referral chest hospital
Lt col kataria, Lt Col D Rosha & Brig KK Maudar: **Med J Arm Forces India**, 2000, 56/4, 298-300.
1479. Tuberculosis in the Era of HIV infection
Deivanayagam CN: **Pulmon**, 1999,1 /2,55-6.
1480. HIV seropositivity among hospitalized pulmonary tuberculosis patients- a cross sectional survey in a tertiary care setting.
Kumari Indira KS, Joshi M, & Mallan KGR: **Pulmon**, 2000, 2/2,68 -74.
1481. HIV, tuberculosis and pregnancy, the ominous combinations
Tripathy SN: **Antiseptic**, 2000, 97/7, 232-33.
1482. HIV seropositivity among adult tuberculosis patients in Delhi
Sharma SK et al: **Ind J Chest Dis & Allied Sci**, 2000,42/3,157 -60.

1483. Trend of HIV infection in-patients with tuberculosis in rural south India
Rajasekaran S et al: **Indian J TB**, 2000, 47/4, 223-26.
1484. Extra-pulmonary lesions among HIV positive tuberculous individuals and response to chemotherapy
Dash BK & Panigraha SR : **Indian J TB**, 2000, 47/4, 245.

EPIDEMIOLOGY

1485. Incidence of tuberculosis among patients receiving treatment with oral corticosteroids
Agrawal PN et al : **JAPI**, 2000, 48/9, 88-4.
1486. On estimation of burden of tuberculosis in India
Lalit Kant: **Indian J TB**, 2000,47/3,127-8.
1487. Tuberculosis in north arcot district of Tamil nadu - A sample survey
Manjula Datta : **Indian J TB**, 2000, 47/3, 147-4.

ANNUAL RISK OF INFECTION

1488. Tuberculin sensitivity in BCG vaccinated children and its implication for ARI estimation
Chadha VK, Jagannath PS & Suryanarayana HV : **Indian J TB**, 2000, 47/3,139-46.
1489. Annual risk of tuberculosis infection: an estimate from ten year old children in Trivandrum district
Kumari Indira KS et al : **Indian J TB**, 2000, 47/4, 211-17.

BCG VACCINATION

1490. A Comparative study of tuberculin reactions to 1 TU and 2 TU of PPD-RT23.
Chadha VK. et al: **Indian J TB**, 47/1, January 2000, 15-20.
1491. BCG Vaccinations: some practical dilemmas
Jacob John T : **Ind Pediatrics**, 1999, 36/9, 941-46.
1492. Use of BCG Vaccine
Chaturvedi TN : **Ind Pediatrics**, 2000, 37/10, 1146.
1493. Tuberculosis control without protection from BCG
Jacob John T : **Ind Pediatrics**, 2000, 37/10, 1149-54.
1494. BCG Vaccination - practical dilemmas
Jacob John T: **Indian Pediatrics**, 2000, 37/6, 687-89.

1495. Role of rifampicin in inhibiting mycolic acid levels in mycobacterium bovis BCG
Patil M A et al : **Indian Medical Gazette**, 1999, 133/5,157 -62.
1496. Tuberculin sensitivity in BCG vaccinated children and its implication for ARI estimation
Chadha VK. Jagannath P S and Suryanarayana H V: **Indian J TB**, 2000,47/3,139-46.
1497. Forum-Mantoux reaction and BCG test
Bhagi RP : **Indian J TB**, 2000,47/4, 247
1498. Polymerase chain reaction using IS6110 primer to detect mycobacterium tuberculosis in clinical samples
Gunisha P et al : **Indian J Pathol. Microbiol.** 2000,43 (4): 395 -402,

DIAGNOSIS

1499. Recent advances in tuberculosis diagnostic techniques
Wg Cdr PK Menon, Lt Col K Kapila, & Brig VC OHRI: **Med Armed Forces India**, 2000, 56/2, 143-8.
1500. Diagnosing tuberculosis in the next millennium
Ravindran P : **Pulmon**, 1999, 1/ 2, 57-58.

BACTERIOLOGY

1501. T-lymphocyte subpopulations in tuberculosis.
Swaminathan S et al: **Ind Pediatrics**, 2000, 37/5, 489-93.
1502. Adrenal function in patients with tuberculosis.
Singh SK et al. **Lung India**, 2000, 18/1, 5-7.
1503. Bronchial artery embolisation to control massive haemoptysis in tuberculosis.
Mahalakshmi H et al: **Lung India**, 2000, 18/1, 27-28.
1504. Association of vitamin D receptor genotypes with the susceptibility to pulmonary tuberculosis in, female patients and resistance in female contacts.
Selvaraj P. et al: **Ind J Med Res**, 2000, 111, 172-79.
1505. Pancytopenia due to hemophagocytic syndrome as the presenting manifestation of tuberculosis.
Basu S. et al: **JAPI**, 2000, 48, 845-46.
1506. PCR for Diagnosis of tuberculosis: where are we now?
Rattan A: **Indian J TB**, 2000, 47/2, 79-81.

1507. Radioimmunoassay antibody Detection in Pulmonary Tuberculosis
Kadival GV et al: **Indian J TB**, 2000, 47/2, 97-100.
 1508. Role of Silicon in Modulating the Internal Morphology and Growth of Mycobacterium tuberculosis
Das S & Chattopadhyay U.K: **Indian J TB**, 2000, 47/2, 87-92.
 1509. Adrenocortical reserve and morphology in tuberculosis
Prasad GA et al: **The Ind J of Chest Dis & All Sci**, 2000,42/2,83-93.
 1510. Quality assurance of sputum smear microscopy in revised national tuberculosis control programme
Jayasheela M: **NTI Bulletin Vol 35/1-4**,1999, 14-
 1511. Evaluation of E test for susceptibility testing of mycobacterium tuberculosis to primary anti tubercular drugs.
Neerja kakkar et al: **Ind J Med Res**, 2000, 111, 168-71.
 1512. Role of enzyme linked immunosorbent assay in the diagnosis of suspected cases of genito urinary tuberculosis
Gupta A : **Ind J of Pathology & Microbiology**, 1999, 42/3, 307-9.
 1513. Polymerase chain reaction in abdominal tuberculosis
William ML, Korath P & Jagadeesan K : **Bombay Hospital Journal**, 1999,41/3,580-01.
 1514. Clinical problems in tuberculosis
Amdekar YK : **Pediatrics clinics of India**, 1999, 34/2,1-2.
 1515. Role of gastric lavage and broncho-alveolar lavage in the bacteriological diagnosis of childhood pulmonary tuberculosis
Meenu Singh et al : **Ind Pediatrics**, 2000, 37/9, 947-51.
 1516. Role of human leucocyte antigen (HLA) and Non-HLA genes in susceptibility or resistance to pulmonary tuberculosis
Selvaraj P : **Indian J TB**, 2000,47/3,133-38.
 1517. Quality assurance of sputum smear microscopy in revised national tuberculosis control programme
Jayasheela M : **NTI Bulletin**, 1999, 35/1-4, 14-17.
 1518. Influence of non-MHC genes on lymphocyte response to mycobacterium tuberculosis antigens & tuberculin reactive status in pulmonary tuberculosis
Selvaraj P et al : **Indian J Med Res**, 2000, 112, 86-92.
 1519. Lower lung field tuberculosis and mixed infections: a diagnostic dilemma
Rajasekaran S et al : **Pulmon**, 1999,112,66-9.
 1520. Tuberculosis: Role of DNA vaccines
Remeshchandra babu KM : **Pulmon**, 2000, 2/1, 3-7.
 1521. Polymerase chain reaction for mycobacterium tuberculosis
Gowrinath K : **Lung India**, 2000,17/2,68-69.
 1522. Bone marrow cytomorphological changes in tuberculosis
Sunita Singh S et al : **Ind Med Gazette**, 2000, 134/7,202-05.
 1523. Paraffin slide culture technique for "Baiting" non-tuberculous mycobacteria
Narang P, Sangeeta Dey & Mendiratta D K : **Indian J TB**, 2000, 47/4, 219-21.
 1524. Significance of serum - effusion albumin gradient in the differential diagnosis of pleural effusion
Dhar MC et al : **Indian J TB**, 2000,47/4, 229-31.
- #### IMMUNOLOGY
1525. Role of Bronchoalveolar Lavage in the diagnosis and immunological evaluation of patients With Pulmonary tuberculosis.
Vijayan VK; **Indian J TB**, 2000,47/2,73-78.
 1526. Characterization by single strand conformation polymorphism of mutations in the ropo B Gene of Rifampicin-Resistant Mycobacterium tuberculosis in Strains from Vancouver, Mexico city and New Delhi.
Manju Sharma: **JAPI**, 2000,48, 568-72.
- #### VETERINARY BACTERIOLOGY
1527. Role of Rifampicin in inhibiting mycolic acid levels in mycobacterium bovis BCG
Patil MA et al : **Indian Medical Gazette**, 1999, 133/5,157-62.
- #### CHEMOTHERAPY
1528. Surgical treatment for abdominal tuberculosis - a review of fifty cases
Agarwal et al : **Bombay Hospital Journal**, 1999, 41/3,489-93.

1529. Intermittent dosing of anti-tubercular drugs
Meenu Singh : **Indian Pediatrics**, 2000, 37/9, 103-33.
1530. Incidence of tuberculosis among patients receiving treatment with oral corticosteroids
Agarwal PN et al: **JAPI**, 2000,48/9, 881-84.
1531. A clinical trial of hepacef in relation to prevention of hepatotoxicity by anti TB-drugs
Master TB : **Indian Medical Gazette**, 2000, 134/4,110-13.
1532. Study of high dose Isoniazid & streptomycin bi weekly in the treatment of Isoniazid resistant tuberculosis
Jagota P, Sudha Xirasagar & Jaigopal M V : **NTI Bulletin**, 1999, 35/1 - 4,8 -13.
1533. Development of pleural effusion in-patients during anti-tuberculous chemotherapy: Analysis of twenty-nine cases with review of literature
Rakesh C Gupta et al : **Indian J Chest Dis & Allied Sci**, 2000, 42/3,161 - 66.
1534. Supervised chemotherapy in pulmonary tuberculosis and emergence of drug resistance in cases of relapse
Panda BN et al : **Indian J TB**, 2000, 47/3, 163 - 66.
1535. Evaluation of two self administered six month regimen for smear positive category 1 tuberculosis patients
Menon MPS et al : **Pulmon**, 2000, 2/2, 82 - 93.
1536. Role of ayurvedic drugs along with antituberculous chemotherapy in the management of tuberculosis.
Katiyar S.K. et al: **Pulmon**, 2000, 2/1, 19-26.
1537. Chemotherapy of drug resistant tuberculosis: the tuberculosis research centre experience over 40 years.
Tuberculosis Research Centre (ICMR) : **Ind J TB**, 2000,47/4,201-10.

DOTS

1538. The revised national tuberculosis control programme: A status report on first 1,00,000 patients
Khatri GR : **NTI Bulletin**, 1999, 35/1-4,18-26.
1539. Treatment outcome in tuberculosis patients placed under directly observed treatment short course (DOTS) - A cohort study
Chadha SL and Bhagi RP : **Ind J TB**, 2000, 47/3, 155-58.

1540. Relapse following directly observed therapy short course (DOTS) - a follow up study
Dholakia Y, Danani U & Desai C : **Ind J TB**, 2000,47/3, 233-36.

DRUG RESISTANCE

1541. Prevalence of drug resistant tuberculosis in armed forces-study from a tertiary referral chest diseases hospital at Pune.
Lt Col Kailash Chand: **Med J Armed Forces India**, 2000,56/2,130-34.
1542. Study of high dose Isoniazid & Streptomycin bi weekly in the treatment of isoniazid Resistant tuberculosis
Jagota P, Sudha Xirasagar & MV Jaigopal: **NTI Bulletin**, 1999,35/1-4,8-13.
1543. Prevalence of drug resistant tuberculosis in armed forces study from a tertiary referral chest diseases hospital at Pune
Lt Col Kailash Chand, Col SC Tewari, Maj SJ Varghese : **Med J Armed Force Ind**, 2000, 56/2, 130-34.
1544. Supervised chemotherapy in pulmonary tuberculosis and emergence of drug resistance in cases of relapse.
Panda BN et al : **Indian J TB**, 2000, 47/3, 163-66.
1545. Chemotherapy of **drug** resistant tuberculosis: the tuberculosis research centre experience over 40 years
Tuberculosis Research Centre (ICMR) : **Indian J TB**, 2000, 47/4, 201 -210.

ADVERSE REACTIONS

1546. Development of pleural effusion in-patients during anti-tuberculous chemotherapy: analysis of twenty-nine cases with review of literature
Rakesh C Gupta et al) : **Ind J Chest Dis & Allied Sci**, 2000,4.2/3,161 -6.
1547. The hepatotoxicity of anti-tuberculous drugs and reintroduction of treatment
Munde GV : **Ind Med Gazette**, 2000, 134/8, 231-5.

RELAPSE

1548. Relapse following directly observed therapy short course (DOTS) - a follow up study
Dholakia Y, Danani U and Desai C : **Indian J TB**, 2000, 47/4, 233-6.

CASE HOLDING

1549. **Improving** compliance to chemotherapy
Ghosh CS et al : **Pulmon**, 2000, 2/1,27-31.

TB CONTROL

1550. United efforts to control TB and HIV/AIDS in South Asia
Kumar P: **STC News letter**, 2000,10/1,10-15.

RNTCP

1551. The Revised National Tuberculosis Control Programme: A status report on first 1,00,000 patients
Khatrri GR: NTI Bulletin, 1999,35/1-4,18-26.
1552. Revised national tuberculosis control programme: Indian perspective
Arora VK and Sarin R : **Indian J Chest Dis & Allied Sci**, 2000, 42/1, 21-6.
1553. Report on revised national tuberculosis control programme: urban pilot project in Lucknow
Srivastava SK et al : **Indian J TB**, 2000, 47/3, 159 -62.
1554. Forum - Comments on RNTCP and its status
Gothi GD : **Indian J TB**, 2000,47/3,181-8.
1555. Revised national tuberculosis control programme: Indian perspective
Arora VK and Sarin R : **Indian J Chest Dis Allied Sci**, 2000, 42, 21-26.

TB MANAGEMENT

1556. Changing trends in the management of HIV and Tuberculosis
Mohanty KC & Bender SS: **Lung India**, 2000, 18/1,21-26.

SOCIAL ASPECTS

1557. Emotional Problems Amongst Hospitalized Tuberculosis Patients in Delhi.
Dubey KK: /2, **Indian Medical Gazette**, 2000, 134/3,65-69.
1558. SAARC Seminar on Gender and Sociological Issues related to TB.
STC News letter, 2000,10/1,5-6.

SOCIO ECONOMICS

1559. Tuberculosis control and economic issues
Chadha VK, Preetish S Vaidyanathan & Sanjay Singh: **NTI Bulletin**, 1999, 35/1-4,3-7
1560. Tuberculosis control and economic issues
Chadha VK, Preetish S Vaidyanathan & Sanjay Singh: **NTI Bulletin**, 1999, 35/1-4, 3-7.

SOCIAL PSYCHOLOGY

1561. Psychiatric morbidity in tuberculosis patients.
Bhatia MS et al: **Ind Med Gaz**, 2000,134/1,5-7.
1562. Emotional problems amongst hospitalised tuberculosis patients in Delhi
Dubey KK, Bhasin S K & Bhatia M S : **Indian Medical Gazette**, 2000,134/3,65-69.
1563. Psychiatric morbidity in tuberculosis patients
Bhatia MS, et al : **Indian Medical Gazette**, 2000,134/1, 5-6.

RADIOLOGY

1564. Management of severe hemoptysis due to, pulmonary tuberculosis by bronchial artery embolisation
Dwivedi MK, Pal RK & Borkar PB : **Indian J Rad & Imag**, 1999,9/4,165 - 68.
1565. Case report: Duplex imaging of a tuberculous etiology common hepatic artery aneurysm causing hematemesis
Deol PS et al : **Ind J Rad Imag**, 1999,9/1,13-15.
1566. Radiological pattern of pulmonary tuberculosis in: diabetes mellitus
Abdul Sathar AA Ravindran C, & Achuthan V: Pulmon, 2000,2/2,94-6.

STATISTICS

1567. Statistical inference from quantitative data: comparison of means and other locations.
Indrayan A , Satyanarayana L : **Indian Pediatrics**. 2000, 37/4,1210-28.
1568. Randomised comparisons of medical tests: sometimes invalid, not always efficient.
Bossuyt PMM, Lijmer JG & Mol BWJ : **Lancet**, 2000, 356, 9244,1844-47.
